

## **About the Competition**

More than 160,000 high school juniors from all parts of the United States requested consideration in the 2012 National Achievement Scholarship Program when they took the 2010 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®). Semifinalists are designated within geographic regions and are the highest-scoring program entrants in the states that make up each region.

To advance to the Finalist level in the competition, Semifinalists must present a record of high academic performance throughout high school, be endorsed and recommended by the high school principal, write an essay, and earn SAT scores that confirm their PSAT/NMSQT performance. In addition, the Semifinalist and a high school official must complete a detailed scholarship application in which they provide information about the student's participation in school and community activities, demonstrated leadership abilities, and educational goals.

From the approximately 1,600 Semifinalists, about 1,300 are expected to advance to the Finalist level, and in January they will be notified of this designation. All Achievement Scholar® awardees will be selected from the Finalist group on the basis of their abilities, accomplishments, and potential for success in rigorous college studies.

## **National Achievement Scholarships**

National Achievement Scholarships provided in 2012 will be supported by corporations, professional organizations, foundations, and by NMSC's own funds. Two types of scholarships will be offered. Every Finalist will compete for one of the 700 one-time National Achievement \$2500 Scholarships, which will be awarded on a regional representation basis. In addition, corporate and business sponsors will underwrite about 100 Achievement Scholarship awards for Finalists who meet criteria set by the grantor. Although some corporate-sponsored awards provide a single payment, most are renewable for up to four years of undergraduate study. NMSC will release the names of scholarship winners to news media in early April.
